

Redefining freedom... where will you go?

A new generation of campervans, the resulting combination of decades of engineering experience and a passion for the outdoors.

THE NEW FORD LANDSEER

The New Ford Landseer combines technical and innovative excellence with an understanding of the needs of modern campervan enthusiasts.

Our company Landseer Leisure is the culmination of passionate, innovative, and highly experienced engineers and design experts. Drawing on the strength of their unique skill sets, the Landseer team are proud and excited to bring to market the resulting, outstanding, new generation of campervan... the Landseer range.

Through our extensive experience in the motorhome and campervan industry, get ready to take your adventures to a new and exciting level.

“ We at Landseer believe that campervans should transport you to another world, a place of your dreams, affording comfort, technology and versatility. ”

KEY FEATURES

The Ford Landseer combines maximum living space, a high level of specification and a range of innovative features to ensure the most practical and enjoyable motorhome experience.

MAXIMUM LIVING SPACE & STORAGE

Boasting the most usable space in its class, the Ford Landseer has maximum space in the kitchen and storage areas, while also maintaining the three rear seats.

HIGH SPECIFICATION AS STANDARD

Every detail, inside and out has been designed and engineered to the highest specification; including real Oak worktops, flush fitting LED lights and a premium finish throughout the motorhome.

ECO FRIENDLY & ENERGY EFFICIENT

Clean, refined and powered by the advanced, high-performance Ford EcoBlue diesel engines to the latest Euro6 standards. Industry leading solar charging is included as standard.

THE ONLY VEHICLE YOU WILL EVER NEED

A campervan for all seasons. With 5 to 7 belted safety tested seats, including Isofix points for children, the Ford Landseer is ideal for the school run, for shopping and for transporting your children to their many activities. It can become your sole vehicle or second vehicle... the only vehicle you'll need.

The campervan will sit neatly on your drive or in a parking space and is truly versatile as a car, a van, a mobile office and of course your regular holiday accommodation. Your Landseer campervan will sleep four adults comfortably. With its extra-large volume carrying capacity, it truly is a van for all occasions.

“ With its additional large volume carrying capacity, it really is a van for all seasons; so, make every weekend a holiday. ”

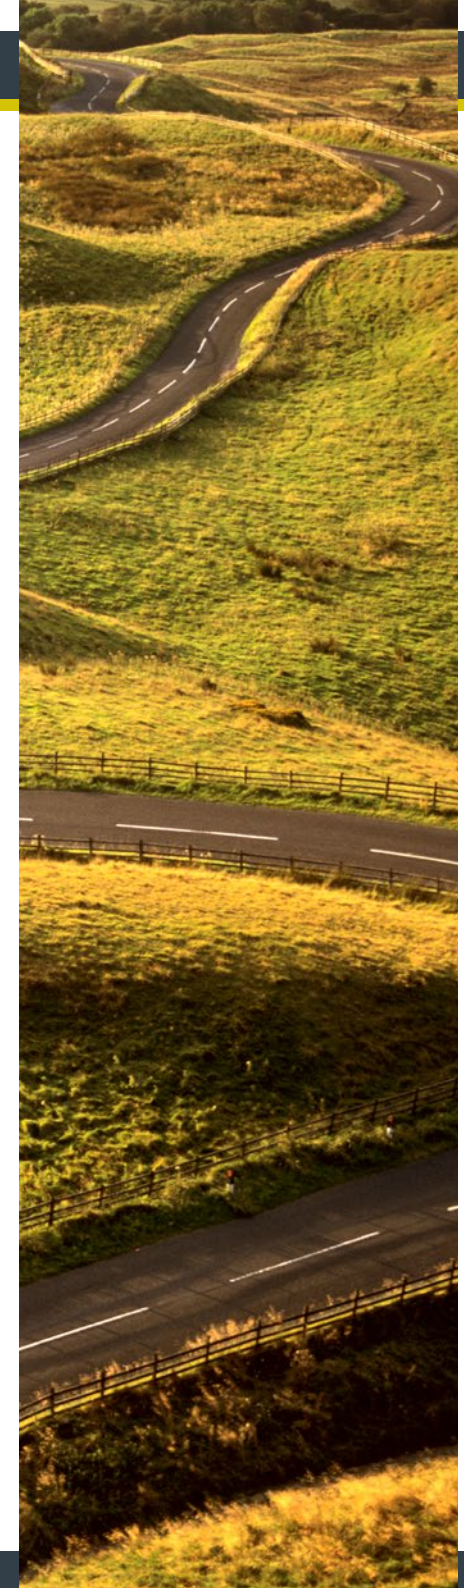

THE FORD TRANSIT CUSTOM

A CAR LIKE DRIVING EXPERIENCE

The new breed of Ford Transit Custom offers a car like driving experience. It is robust, functional, and reliable, with superior levels of design and craftsmanship. Now, it delivers an even wider range of innovative features and smart technologies. The result is a vehicle that is more refined and sophisticated than ever before.

FORD ECOBLUE ENGINE

Power, economy and reduced emissions. The New Transit Custom features a range of 2.0-litre Ford EcoBlue diesel engines. With an AdBlue® catalytic reduction system converting NOx exhaust gas emissions into nitrogen and water, every engine meets the stringent Euro 6.2 emissions standards. The vehicle is even available as a mild Hybrid Electric Vehicle (mHEV) for even greater fuel economy and reduced emissions.

SPACIOUS ACCOMMODATION

ONE OF THE LARGEST CUBIC VOLUMES IN ITS CLASS

A Landseer campervan has one of the largest cubic volumes of any campervan in its class, and affords maximum living space and plentiful storage areas, allowing for luxurious, 'home away from home' living.

The highest quality, elevating roof system provides great height and an integrated double roof bed. The components in the roof system such as the canvas and seals have been designed and engineered for maximum longevity and ease of use.

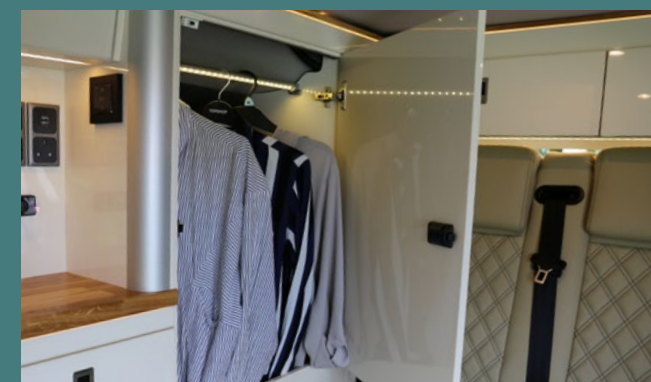

LUXURY AS STANDARD

MAKING YOUR JOURNEY AND EXPERIENCE BOTH COMFORTABLE AND ENJOYABLE

Our conversions include many luxuries, which most companies consider options at extra cost, with the sole purpose of making your journey and experience both comfortable and enjoyable.

These include:

- Front air conditioning
- Driver and passenger heated swivel seats with armrest and lumbar adjust
- Stylish and spacious interior cabinet design
- Solid oak worktops
- Smev double burner hob
- 42L capacity fridge
- Two interior tables
- Metallic paint
- Webasto space heater with multi-function smart controller
- Contemporary blackout blinds and double-USB/240V sockets
- High power leisure battery and solar panel technology.

SLEEP WELL...

ONE OF THE LARGEST SLEEPING AREAS IN ITS CLASS

The Ford Landseer boasts among the largest sleeping areas in its class, with a comfortable, generous, and easy to configure double bed. Upstairs provides a spacious double for both adults and children alike, with good viewing through three generous windows. Ambient task lighting is provided in both sleeping areas, in addition to generous under bed storage.

LIGHTING

MODERN, FUNCTIONAL AND ATMOSPHERIC

The lighting in the Ford Landseer is both functional and atmospheric; it can create a cosy atmosphere within your camper at night, with dimmable LED roof and floor 'mood' lighting as standard, or it can provide a bright and vibrant atmosphere.

Task lighting is provided in functional areas such as the kitchen cupboards with undercabinet lights, wardrobe lighting and stalk lights for reading.

VERSATILE SEATING

THE OPTION OF FIVE, UP TO SEVEN STYLISH AND COMFORTABLE SEATS

With the option of five, up to seven stylish and comfortable, safety tested travel seats which can be secured in a series of versatile configurations, the Ford Landseer offers true versatility. The bed seat can be locked down in any position from the front to the rear of the vehicle and is fully approved for travel in any desired position. Driver and passenger heated swivel seats with armrest and lumbar adjust adds to your comfort. Leather and colour options available.

CONTEMPORARY, FUNCTIONAL KITCHEN

SPACIOUS AND FULLY FUNCTIONAL

The Ford Landseer has a truly contemporary, high quality kitchen. The kitchen units have been designed to optimise the space within the vehicle and provide maximum storage with spacious cabinet interior design. Other features include solid oak worktops, a twin burner hob, sink, fridge and optional oven.

BLINDS

MANUAL AND ELECTRIC BLACKOUT BLIND SYSTEMS

Both our innovative manual and electric blackout blind systems are designed and manufactured in-house, here at Landseer Leisure. The optional electric 'one-touch smart blind system' means privacy at the press of a button.

INSIDE-OUTSIDE LIVING

OPTIONAL 2.6 METRE AWNING

With a Landseer campervan you can bring the inside out and enjoy the best of both worlds. Extend your living area with the optional addition of a 2.6 metre easy to use, wind out awning. This area can be used to relax in with food or drink; or it could provide that welcome extra space for the whole family to enjoy.

E-BIKES

ENHANCE YOUR NEXT GET AWAY WITH A FOLDABLE, PORTABLE, E-BIKE NEATLY INCORPORATED INTO YOUR LANDSEER MOTORHOME.

With our portable foldable e-bikes you no longer need to dismantle your camp site for a trip out – just leave the awning up and the camper van behind. Landseer have partnered with a leading manufacturer to bring you the latest in e-bike innovation ensuring convenience and practicality whilst being fun and easy to use.

With a potential battery range of 30 miles, and the option of pure pedal power you can park up, set up, and explore your surroundings on bikes. Charging points for the bikes can also be integrated into your Ford LandSeer, ready for use the next day.

Open up new horizons on your next camper adventure
- contact us for more details or test the e-bike at our site.

INNOVATION AND TECHNOLOGY

THE LATEST ECO-TECHNOLOGY

At Landseer Leisure we continually strive to undertake research and development into new products such as those to harness solar energy which creates clean, renewable power from the sun and importantly benefits the environment. Each Landseer campervan has solar panel technology incorporated into the design as standard. An exciting new optional extra is our 'off grid' eco pack which includes a 150 Ah Lithium battery and powerful 150-watt solar panel.

VERSATILE USE

YOUR PRIVATE HOME OFFICE

Working patterns have changed during the evolving Covid-19 pandemic, with working from home becoming necessary or desirable for many. Increasing demand for this new way of working presents both new challenges and opportunities.

A Ford Landseer could be the perfect working space away from home and its many distractions. Set yourself up for success by making the Landseer your designated private office, somewhere you can concentrate and focus. It can easily be utilised as a mobile office or showroom, allowing you to still work alone as much as possible but giving you more choice and control over how and where you work and your workstyle.

STORAGE

MAXIMISED INTERNAL STORAGE SPACE

At Landseer we have thought carefully about maximising the internal storage space. We have therefore included a generous selection of cupboards, drawers, under-bed storage and an illuminated wardrobe space, with hanging rail for clothes, so you don't have to give up home comforts when travelling. You can also easily slide the seats forward to maximise carrying space.

SAFETY

FULLY TESTED AND APPROVED

Your safety is our priority and your trust and confidence in the safety of your vehicle is paramount. With this in mind, all vehicles include a German crash tested, sliding rear 3-person, 3-point safety belted seat system with rear Isofix points. The vehicle itself has front and rear parking sensors and an alarm.

All Landseer vehicles have been fully tested and approved through either the DVSA's IVA scheme or the National Type Approval scheme, so you and your loved ones can travel with confidence and full peace of mind.

ACCESSIBILITY

NO BARRIERS TO FREEDOM

With a Ford Landseer, there are no barriers to freedom. Our vehicles can be adapted to offer accessibility and mobility configurations, through our available seating and access ramps. Please enquire for further information.

We at Landseer, believe that campervans should transport you to another world, a place of your dreams, affording comfort, technology and versatility.

Our enthusiasm, dedication, precision and passion, drives us to aspire to produce the best campervans available on the market.
