12-year perforation warranty
The Transit Custom owes its durable exterior to a thorough multi-stage painting process. From the wax-injected steel body sections to the hard-wearing top coat, new materials and application processes ensure it will retain its good looks for many years to come.
*Metallic body colours are options at extra cost.
The Ford Transit Custom is covered by the Ford Corrosion Protection Warranty for 12 years from the date of first registration. Subject to terms and conditions.
Note: The vehicle images used are for illustrative purposes only and may not reflect current specification. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.
